ABOUT US

Established with 30 years of production and foreign trade experience, Liyakat Inc. operates in the production, food, cosmetics, automotive, Fmcg sectors. We produce, supply and service to our business partners in many countries, especially in Turkey, America, Russia, CIS countries, Europe, Africa, Middle-East, Mongolia and People's Republic of China, with the world's and Turkey's well known brands, Private Label and our own brands.

We aim to be a business partner that provides perfect and reliable service to its business partners with its dynamic and young staff, whose reliability is approved by everyone, that comes to mind first as a solution partner, and that offers its customers the solutions they need with the understanding of maximum customer satisfaction. Transparent, reliable, solution-oriented service understanding and sensitivity to the environment and human health are our basic values. Since Turkey is the logistics base of the world, we respond to all the needs of our business partners regarding storage, logistics and customs clearance in our company's 26.000 m2 warehouse and storage area. Our goal is to unite our business partners with the world and create a big family by providing quality service.
